To whom it may concern:

I pledge that Yam Bahadur Chhetri, Nepali citizen, passport number 08691610 (expiry 05 APR 2025) has been invited to attend WordCamp Hong Kong, a community organized event focusing on WordPress development and technology.

WordPress is web software you can use to create a beautiful website or blog. We like to say that WordPress is both free and priceless at the same time. The core software is built by hundreds of community volunteers. The mission of the WordPress open source project is to democratize publishing through Open Source, GPL software.

We have invited Yam Bahadur Chhetri to attend WordCamp Hong Kong in Hong Kong. His participation in this event will require him to be in Hong Kong from 11-Oct to 13-Oct, 2019. This conference will focus on creating better websites with WordPress.

Please do not hesitate to contact me with any questions regarding this.

Sincerely,
